**Allergen Statement:** Meals that are prepared for students with specific allergy or dietary requirements are made following an allergy management plan. However, meals are not validated by means of laboratory testing, and so we cannot guarantee that any item is 100% free from trace amount of allergen residues. Please make your school aware if you have a low tolerance towards certain allergens. All menu items may contain traces of gluten, dairy, peanuts, tree nuts, soy, sesame seeds, egg, sulphites, fish, shellfish and lupin. Meals are made with no nut-containing ingredients but may contain detectable traces of nuts.

Some minor menu changes may occur due to a school opting out of some lunch components due to other healthy eating programmes currently operating in school. Full menu breakdowns including ingredients and nutritional information can be provided on request.
